Marcus Hale
Library Director
Riverbend Public Library

Dear Mr. Hale,

I am applying for the Program Coordinator position because I have done this work. At Eastgate Library Branch I ran the weekly children's story hour for about 40 children and organized 12 community events in 2023.

Your posting asks for experience with volunteers. I trained 6 volunteers on the catalog system and wrote the volunteer handbook the branch still uses. I also managed a $2,000 yearly supply budget there, so a small budget is familiar to me.

Before that, I worked the front desk at Lakeview Community Center. I scheduled room bookings for 8 regular groups and answered about 30 phone calls a day. That job and my B.A. in English from Western State University taught me to write and speak clearly to people who need an answer. I also speak conversational Spanish.

I have not supervised paid staff, and I would be glad to learn how your team of five works. I can start December 1, the date in your posting. I would welcome an interview, and you can reach me at 555-0142 or avery.park@example.com.

Sincerely,
Avery Park
